Re: Agenda for Telephonic Interview on Thursday, Nov. 3 at 1:30 pm EST

Applicants: Evans, Douglas G. et al. Group Art Unit: 3738
Serial No.: 10/713,438 Atty. Docket No.: KN P-0131

For: Devices and Methods for Treating Defects in the Tissue of a Living Being

Dear Examiner Blanco:

Regarding the above after-final application, what we propose to do during the interview is to (1) make arguments highlighting compositional differences between the device of Yamamoto and that of the claimed invention; and (2) hear your reaction to these arguments.

The participants from our side will be (1) myself; (2) Jeff Kelly, Director of Legal Affairs for assignee Kensey Nash Corp.; (3) technical expert and co-inventor Russell Kronengold; and (4) Steven Link, Kensey Nash in-house counsel.

We would like to handle this by a third party conference call at 1:30 pm. To enter the conference, please dial 1-800-746-3148. At the prompt, enter the conference ID of 1303483.

If you encounter any difficulties or have any questions, please call Kensey Nash legal department office manager Trina Werkema at 610-594-4455.

If you have any question or comments, please do not hesitate to contact me.

Kindest regards,
